### THANKSGIVING PROCLAMATION.

A PROCLAMATION—The season is nigh when it is the yearly wont of this people to observe a day appointed for that purpose by the President as an especial occasion for thanksgiving unto God.

Now, therefore, in recognition of this hallowed custom, I, Chester A. Arthur, President of the United States, do hereby designate as such day of general thanksgiving Thursday, the 27 day of this present November. And I do recommend that throughout the land the people, ceasing from their accustomed occupations, do then keep holiday at their several homes and their several places of worship, and with heart and voice pay reverent acknowledgment to the giver of all good for the countless blessings wherewith He hath visited this nation.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this seventh day of November, in the year of our Lord one thousand eight hundred and eighty four, and of the Independence of the United States, the one hundred and ninth.

[Seal] CHESTER A. ARTHUR.

Now is a good time for the turkeys to take to the woods.

Mrs. J. D. Peters, of Los Angeles, Cal., is visiting Mrs. R. Rapp.

Blank bills of lading, for lumber shippers for sale at the TRIBUNE job office.

W. C. Moore is in Chicago buying his stock of gents' furnishing goods for the winter trade.

Captain S. F. Tolsma has resumed his fishing operations at his Cockburn Island fisheries.

Some of our Democratic friends begin to fear they hollowed before they were out of the woods.

Mr. and Mrs. Oscar Adams left on the train Tuesday night for a brief visit in the southern part of the state.

Geo. H. Lawrence, lately of the Michigan Exchange, we are informed is soon to assume a position in the Mercier House, Mackinaw City.

The Cheboygan Lumber company's pier at their mill begins to look empty. A few more cargoes shipped and they will have but little lumber to winter over.

The new upper works of W. S. Smith's tug Maud S. are about completed. Her steam connections are being made and probably early next week she will be able to show what she can do with increased power and plenty of steam.

David McIntire returned from the West Thursday night and was gladly welcomed back by hosts of friends. He reports Chicago at boiling heat over political matters when he passed through.

It was a sharp trick in H. J. Todd to work up that blow out Saturday night, so that he might dispose of fire crackers and fire works. It succeeded to a charm and Hank is happy to think how nicely it worked.

Mr. Ed. E. Crosby, of this place, was married to Miss Rose Wilmet at Mackinaw Island on Wednesday Oct. 23. Ed. and his bride returned to Cheboygan Saturday and have been busy receiving the congratulations of their numerous friends since.

E. P. Vanderwater, operator at the station, received a telegram Tuesday evening that his wife and child, who are visiting friends in Canada, were both ill. He left on the down train that evening to visit them. We hope that their illness may not prove serious.

Mrs. B. C. Milliken, mother of our fellow townsman Ben. C. Milliken, died at Alpena Sunday Nov. 2nd, aged 83 years. Mr. Milliken went down on the Flora and reached her bedside before she passed away. The funeral took place Tuesday the fourth. Mr. Milliken has the sympathy of all.

The Republicans came within one of making a clean sweep on the county ticket. It was only Thompson's popularity with the boys that saved him from sharing the same fate as the other opposing candidates. As it was he only leads Mr. Heyden, the Republican candidate for County Surveyor, 19 votes.

Friday of last week Isaac Stawert left at the TRIBUNE office a mammoth turnip raised by Thomas Shaw in the Black Lake region. The vegetable weighs 13 pounds and 10 ounces, and is three feet 1 inch in circumference and 12 inches in diameter. It has been on exhibition in the window of the TRIBUNE sanctum and has attracted considerable attention.

Hon. Wm. McArthur left on the train Sunday night for Chicago.

Waverly township cast every vote for the Republican candidates National and State.

The returns from the county show that nearly all of the candidates of the Republican party slipped in. The slips were all printed at the TRIBUNE office.

The St. Ignace Republican claims that the Republicans of Mackinac county elected Sheriff, Treasurer, Prosecuting Attorney and possibly Judge of Probate.

Commencing with Tuesday the night train on the G. R. & I. leaves Mackinaw City at 9:30 p. m. instead of 11:50, and will continue to do so until further notice.

Messrs Gero & Smyth will do every thing in their power to make the masquerade at the rink to-night a grand success. Good music will be in attendance.

The Misses Johns, dress and mantle makers have removed their rooms to the store formerly occupied by Mrs. Sammers. Attention is called to their advertisement in this issue.

C. S. Ramsay having declined to serve as secretary of the Cheboygan County Agricultural Society, the Board of Directors appointed Frank Shepherd, and he has accepted the position.

Watts S. Humphrey went to Detroit Monday to attend the U. S. court as attorney for Packard Brothers in their suit in regard to the lumber about which they have had so much litigation.

The Democratic brigade Saturday night cornered a Republican and charged upon him. He defended himself so valiantly that one of the assailants afterwards visited a doctor to have his ribs examined to see if they were all intact.

Mr. Louis Wiegand arrived Friday of last week and is stopping with his wife's parents, Mr. and Mrs. Chas. E. Kirtland. Mr. and Mrs. Wiegand, when they appear on the street, attract considerable attention from the diminutive size of the pair.

Mr. and Mrs. Robert Coner and niece, Miss Maud Tolfree, expect to leave to-day or to-morrow for Saginaw, to be absent three or four weeks. Mrs. Coner and Maud will visit friends, while Mr. Coner makes a tour among his customers in the large cities.

During the month of October there were 865 passages through the U. S. ship canal at Sault Ste. Marie. These crafts carried 5,498 passengers, 54,989 tons of coal, 4,337,846 bushels of grain, 169,806 tons of iron ore, 176,066 barrels of flour and 22,630 feet of lumber.

On the night of the 6th Jerome Eddy, chairman of the Democratic state central committee, telegraphed to a Grand Rapids paper that this state had, from indications, gone Democratic by 10,000 majority. That shows how reliable returns from Democratic quarters may be considered.

Ed. Brown, mate of the Van Raalte, who is a strong Democrat, says one reason why he don't believe Cleveland is elected is from the fact that this spring he took a monkey wrench and screwed down the rooster on the pilot house of the steamer as tight as he possibly could do it, head to the front, and now the said rooster is inclined to turn tail to the front.

Hampton, of the Harbor Springs Independent, says that it was the National Greenback party that elected Begole Governor two years ago, and it was the National Greenback party that nominated him for Representative in the Legislature. Charlie, don't you think, in view of the small relative vote cast by the Greenbackers in the late election, that you are a little cheeky in claiming so much for your party? Over in this section it has been generally supposed that the Democrats had a little interest in the matter.

Medard Metivier says that the charges made by our cotemporary against him in regard to the defeat of the Democracy in this county is unjust and without foundation further than the fact that he refused to accept a nomination on the ticket that he did not want and would not take under any circumstances. That previous to their county convention he had positively declined to accept a nomination for Judge of Probate, on the ground that he was not familiar with the duties of the office and was too advanced in years to learn. But some excuse for defeat had to be given, and hence the attack on Mr. Metivier.

Mrs. Geo. H. Hill left for Ontario Monday night on receipt of a telegram announcing the serious illness of her father.

The ladies of the M. E. Church will give a harvest home supper and entertainment at the Opera House on Tuesday evening Nov. 25th.

Myron Rogers, son of Mrs. A. J. Rogers, while playing Tuesday with some boys in front of his mother's residence, had some sand thrown in his face, and jumping fell breaking a leg near the thigh. Dr. Gerow was called and reduced the fracture.

The people of Rogers City are some what alarmed owing to recent extensive fires in their village, and are making preparations to make a better fight against the destroying flames. Messrs Smith & Adams manufactured and shipped down to that scorched town a number of long ladders to give them a better show of reaching the roofs of their property and of protecting it.

Wednesday's Detroit Post claims the election of Charles R. Henry as state senator from this district over McNamara, the fusion candidate. The Post also claims a majority in both Houses of the Legislature, the Senate standing Republican 19, Fusion 13, and the House 51 Republicans to 47 Fusion. The official canvass may change these figures, but from the Post's showing it looks that the Republicans are sure of a majority.

The Democrats of Cheboygan in obedience to command of Mule Barnum, chairman of the National Democratic Committee celebrated their imaginary victory last Saturday night, painting the town red from center to circumference. They had no respect for private property in their search for material to keep their bon-fires ablaze, and helped themselves to everything that they could carry off regardless of its value to the owner. Among other things taken was a piano box belonging to C. W. Farr.

Friday evening of last week the young friends of Miss Lizzie McLeod got up a surprise party, and to the number of 50 or 60 paid her a visit at the residence of her sister, Mrs. S. LeGault, Sr. All report having a good time, and are loud in their praise of Mrs. LeGault for her efforts in aiding them to carry out their purpose. Miss Lizzie was completely taken by surprise, but proved equal to the occasion, and contributed her share towards making the evening one of genuine pleasure.

If the Democrats are such law abiding people as they claim to be, why is it that they are making such a howl about the state of New York? All the Republicans ask is to have a fair showing under the laws of that state, and then if they cannot show conclusively that Blaine has a clear plurality of the votes they will ask nothing further, but if they do show a plurality for their candidate it is reasonable that they should expect justice and that the Democratic party will submit as law abiding citizens.

Last Monday night while the members of the G. A. R. were rehearsing under the direction of Mr. Howard their series of entertainment when the "Spy of Shiloh" will be presented. They came to a part where those representing the rebels gave the well known rebel yell. A number of the untrifled took it as yells celebrating the election (?) of Cleveland, and rushed up into the hall to help celebrate when Mr. Howard politely informed them that it was only a part of the programme being rehearsed and requested them to leave the hall.

Mrs. Maria Westervelt, mother of Mrs. T. T. VanArsdale, died last Saturday at her daughters residence, aged 80 years, 3 months and 20 days. She had resided with her daughter a number of years and was only known to be loved and admired by a large circle of warm friends. The funeral services were held at the residence on Huron street Sunday afternoon at 3 o'clock, Rev. A. W. Westgate conducting the services. A large attendance of friends filled the house to show respect and sympathy for the mourning relatives and pay tribute to the memory of the deceased. The remains accompanied by Charles VanArsdale, left on the Monday morning train for Mt. Morris, New York, where they will be deposited by the side of her companion who had gone before.
